Our Mission

To preserve our Italian heritage and perpetuate our Italian culture and history: to enhance our community and support initiatives associated with Italian - American ideals.

The Northern Ohio Italian American Foundation (NOIA) is the region's premier organization dedicated to supporting the community in ways that celebrate Italian heritage. The organization is comprised of the area's most distinguished leaders, whose reach extends to the highest levels of business, community and philanthropy.

Through a program of exclusive events, talks and networking, NOIA blends traditional Italian arts and culture with modern business acumen. This peer environment fosters personal and professional growth in ways that enable its members to provide mutual support, while giving generously back to their communities.

These are core Italian values that drive NOIA and its members to reach across multiple cultures, build bridges throughout the community and support for the greater good.
