February 1

We are writing to personally invite you to participate in our 20th annual Northern Ohio Italian American Foundation Golf Outing. As you may remember, each year the Golf Committee selects a meaningful cause to benefit from our event, and this year we are proud to announce our support for Project NICU. Project NICU provides financial and emotional support resources to families with children in the Neonatal Intensive Care Unit and the medical professionals who care for them.

Project NICU, founded and led by NOIA members Pam and Nicholas Frasco, offers a unique array of cost-free programs designed with first-hand experience, including Virtual Support Groups, a Parent Mentor Program, and free Counseling services. Their Hope Connects Program provides care packages and financial assistance to NICU families, impacting over 55,000 families nationwide. By supporting Project NICU, we help ensure that families experiencing the NICU journey receive the emotional and financial support they need.

Last year's outing was a record year, we were able to raise over $21,000 to support Archbishop Hoban High School. We hope to do even better this year! The NOIA Foundation 2025 Golf Outing will take place on Monday, July 14, 2025, from 11:00am to 7:00pm at Sandridge Golf Course in Chardon, OH. Please make your reservations early. Last year's event sold out quickly and we already have SIX foursomes committed!

We will also have skills games, a chance for a hole in one, skins and much more. Don't forget about our auction featuring great golf packages and other exciting items to bid on.

Please contact Angela Spitalieri Ianiro (216-409-8245), Paul Lederer (440-554-9316) or visit www.noiafoundation.com for additional information about the NOIA Foundation. Your support, at any level, is greatly appreciated. Thank you for your consideration and we hope to see you at Sandridge Country Club in July!

Sincerely,

Paul Lederer   Angela Spitalieri Ianiro
