INTRODUCING THE NEW

NOIA FOUNDATION LEGACY FUND

Northern Ohio Italian American Foundation

WHAT DOES IT SUPPORT?

NOIA Legacy Fund philanthropic dollars and volunteer outreach go directly to supporting and preserving Greater Cleveland's most visible and vital pillars of Italian American heritage, including:

Little Italy & Italian Parishes

By supporting the Little Italy Redevelopment Corporation and four local parishes, we reinvest in the center of our Italian community here in the Cleveland area, and help ensure that Little Italy remains in a position to thrive. The Italian-based parishes we support are St. Rocco's, Our Lady of Mt. Carmel, Holy Redeemer and Holy Rosary.

Responsive Grants

These grants seek to advance Italian-influenced artistic and community ventures that match up with our NOIA mission.

Catholic High School Scholarships & School Travel Programs

Benefiting local students of Italian heritage, these programs support and encourage educational and immersive cultural experiences, including Italian study programs and student travel to Italy.

If your organization aligns with one of the aforementioned areas, and would like to be considered as a program beneficiary, please visit: noiafoundation.com/grant-application
